

## Legal Expert - Liability

Addsure lists suppliers referred to us, who are members of NAMA (National Association of Managing Agents) and/or who are known to us through affiliation and their expertise.

Adv Louis Nel works with Addsure on Liability, Disclaimer, and Professional Indemnity issues. The Association was originally through his consultation with one of our key principals, Camargue Underwriting Managers, who provide our clients with liability cover, most widely known in the form of PIMA and FIDCURE cover. Since then, Adv Louis Nel and Addsure have worked together on a few matters and done joint training sessions and workshops around South Africa on liability matters affecting sectional title.
